What a cozy romantic escape for couples! The [LOFTY cottage](#) near St. Ives Bay, Cornwall, United Kingdom, offers a relaxing luxury break in the peace and tranquility of the verdant West Country away from the hubbub of daily life.

Enter through the front door into the bright and open [living /dining area](#), comfortably furnished for curling up with a good book by the fire, or enjoying a romantic dinner by candlelight.

The large ground-floor [bedroom](#) is furnished with a king-sized bed made up with luxurious linens. Open the doors off the bedroom leading into the private sunny [garden](#) to welcome the outside in. It is the perfect spot for some al fresco dining or simply a morning coffee with the papers.

You can add extras to enhance your self-catering holiday... everything from fresh picnics to afternoon teas, seasonal wine selections, beautiful fresh flowers, selective caterers and so much more.
