as yet, the majestic church is simply a 1 minute walk from The Manor. The church can comfortably accommodate up to 200 guests and one of the couple does need to have lived and be registered within the parish (please enquire for further details)

The Reception: From informal receptions to larger marquee weddings The Manor can be enjoyed and tailored to your dream day. For more intimate weddings up to 36 of your friends and family share an exquisite seated dinner in the wonderful dining hall complete with roaring log fire. Up to 80 guests can be accommodated in the house on a less formal basis for canapés and drinks. For larger weddings a marquee can be placed to the picturesque rear of the house leaving the pretty pas terre free for up to 200 guests to share your day. As a marquee alternative then a beautiful wooden frame barn is also available offering dining for up to 70 guests seated or a more informal buffet for up to 150.

The Cuisine: Experienced and recommended caterers are available to offer anything you wish from formal dinners using local Wiltshire produce to less formal summer buffets or BBQ's.

The Wine: You are welcome to bring your own wine or simply order in advance from the local merchant and it can be delivered to the house and stored for you until the day.

The Entertainment: Choose the subtle background noise of a guitarist or jazz up the party with a local band.

The Facilities: Take time out from the wedding hubbub and enjoy the Tennis Court or a feisty game of croquet. The fantastic functional barn for indoor football or games is great for the kids or if its peace and quiet you are after then wander down to the small lake or Shepherd's Hut.
